No. 582. GENERAL ORDER.

HORSE GUARDS, 1st June, 1847.

Her Majesty having been graciously pleased to command that a Medal should be struck to record the Services of Her Fleets and Armies during the Wars commencing in 1793, and ending in 1814, and that one should be conferred upon every Officer, Non-Commissioned Officer, and Soldier of the Army, who was present in any Battle or Siege, to commemorate which Medals had been struck by command of Her Majesty's Royal Predecessors, and had been distributed to the General, or Superior, Officers of the several Armies and Corps of Troops engaged, in conformity with the Regulations of the Service at that time in force;—General and other Officers, Non-Commissioned Officers, and Soldiers, who consider that they have claims to receive this Mark of their Sovereign's gracious recollection of their Services, and of Her desire to record the same, are each to apply to the Secretary of the Board of General Officers, Whitehall, London, and to send in writing to the same Officer, a statement of his Claim, for what Action, at what period

of time, and the Names of the Persons, or the titles of the Documents by which the Claim can be proved.

These Claims are to be sent, by General Officers having such Claims, through the hands of the Commander-in-Chief of the Army:—

The Staff Officers having such Claims, through the General Officers under whom they served, if alive;—if not alive, through the Adjutant General of the Army:—

Officers, Non-Commissioned Officers, and Soldiers of Regiments, Battalions and Detachments, through the Commanding Officer of the Regiment, Battalion, or Detachment, at the time, if still alive. This will be known by inquiry at the Agents of the Regiment residing in London. If such Commanding Officer should not be alive, the Application, in writing, must be sent through the Adjutant General of the Army.

The Board of General Officers is hereby, by Her Majesty's Command, directed to take into consideration,—to investigate the facts stated in each of these several applications,—and to report to the Commander-in-Chief upon the same, for the information of Her Majesty, and to enable those commanded by Her Majesty to deliver to the Claimants the Medals accordingly.

The Adjutant General, and the Military Secretary of the Commander-in-Chief, will transmit to the Secretary of the Board of General Officers, such information as they may have been able to acquire, to assist in the investigations which the Board will have to make.

The Commander-in-Chief has been required to desire, that the Board of General Officers will have Alphabetical Lists made out of the names of the Claimants to one of these Medals, with his Rank, and the name of the particular Battle, or Seige, for which he claims to receive the same inserted in the Margin,—and at which the Board of General Officers may consider that he was present.

The occasions, for which Medals have been granted by the Sovereign, are specified in the annexed page for general information and guidance, as at page 73 of the Annual Army List.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. THAT the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. THAT when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. THAT when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "THAT no Subject of His Majesty could be allowed to accept the Insignia of a "Foreign Order from any Sovereign of a Foreign State, except they shall be so con- "ferred in consequence of active and distinguished services before the Enemy, either "at Sea or in the Field; or unless he shall have been actually employed in the Service "of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "THAT His Majesty's license and permission doth not authorize, and shall not "be deemed or construed to authorize, the assumption of any style, appellation, rank, "precedence, or privilege appertaining unto a Knight Batchelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the service for which it is proposed to confer the Order has been "performed during War, the Notification required by the 2nd Regulation must be "made not later than two years after the exchange of the Ratifications of a Treaty of "Peace.

"If the service has been performed in time of Peace, the Notification must be made within two years of the date of such service.

8th. "WHEN a British Subject has received the Royal Permission to accept a Foreign "Order he will at any future time be allowed to accept the Decoration of a higher Class "of the same Order, to which he may have become eligible by increase of rank in the "Foreign Service, or in the Service of his own country; or any other distinctive mark "of honour strictly consequent upon the acceptance of the original Order, and common "to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843. (Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not "be taken to apply to Decorations of the Guelphic Order which were bestowed on "British Subjects by her predecessors, Their Majesties King George IV. and King "William IV., on whose heads the Crowns of Great Britain and Hanover were united. "Decorations so bestowed cannot properly be considered as rewards granted by a "Foreign Sovereign for services rendered according to the purport of the 5th Clause "of the Regulations. They must be rather considered as personal favours bestowed on "British Subjects by British Sovereigns, and as having no reference to services ren- "dered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846. (Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. THAT the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. THAT when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. THAT when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "THAT no Subject of His Majesty could be allowed to accept the Insignia of a "Foreign Order from any Sovereign of a Foreign State, except they shall be so con- "ferred in consequence of active and distinguished services before the Enemy, either "at Sea or in the Field; or unless he shall have been actually employed in the Service "of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "THAT His Majesty's license and permission doth not authorize, and shall not "be deemed or construed to authorize, the assumption of any style, appellation, rank, "precedence, or privilege appertaining unto a Knight Batchelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the service for which it is proposed to confer the Order has been "performed during War, the Notification required by the 2nd Regulation must be "made not later than two years after the exchange of the Ratifications of a Treaty of "Peace.

"If the service has been performed in time of Peace, the Notification must be made within two years of the date of such service.

8th. "WHEN a British Subject has received the Royal Permission to accept a Foreign "Order he will at any future time be allowed to accept the Decoration of a higher Class "of the same Order, to which he may have become eligible by increase of rank in the "Foreign Service, or in the Service of his own country; or any other distinctive mark "of honour strictly consequent upon the acceptance of the original Order, and common "to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843. (Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not "be taken to apply to Decorations of the Guelphic Order which were bestowed on "British Subjects by her predecessors, Their Majesties King George IV. and King "William IV., on whose heads the Crowns of Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a "Foreign Sovereign for services rendered according to the purport of the 5th Clause "of the Regulations. They must be rather considered as personal favours bestowed on "British Subjects by British Sovereigns, and as having no reference to services ren- "dered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846. (Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. THAT the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. THAT when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. THAT when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "THAT no Subject of His Majesty could be allowed to accept the Insignia of a "Foreign Order from any Sovereign of a Foreign State, except they shall be so con- "ferred in consequence of active and distinguished services before the Enemy, either "at Sea or in the Field; or unless he shall have been actually employed in the Service "of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "THAT His Majesty's license and permission doth not authorize, and shall not "be deemed or construed to authorize, the assumption of any style, appellation, rank, "precedence, or privilege appertaining unto a Knight Batchelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the service for which it is proposed to confer the Order has been "performed during War, the Notification required by the 2nd Regulation must be "made not later than two years after the exchange of the Ratifications of a Treaty of "Peace.

"If the service has been performed in time of Peace, the Notification must be made within two years of the date of such service.

8th. "WHEN a British Subject has received the Royal Permission to accept a Foreign "Order he will at any future time be allowed to accept the Decoration of a higher Class "of the same Order, to which he may have become eligible by increase of rank in the "Foreign Service, or in the Service of his own country; or any other distinctive mark "of honour strictly consequent upon the acceptance of the original Order, and common "to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843. (Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not "be taken to apply to Decorations of the Guelphic Order which were bestowed on "British Subjects by her predecessors, Their Majesties King George IV. and King "William IV., on whose heads the Crowns of Great Britain and Hanover were united. "Decorations so bestowed cannot properly be considered as rewards granted by a "Foreign Sovereign for services rendered according to the purport of the 5th Clause "of the Regulations. They must be rather considered as personal favours bestowed on "British Subjects by British Sovereigns, and as having no reference to services ren- "dered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846. (Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. THAT the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. THAT when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. THAT when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "THAT no Subject of His Majesty could be allowed to accept the Insignia of a "Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either "at Sea or in the Field; or unless he shall have been actually employed in the Service "of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "THAT His Majesty's license and permission doth not authorize, and shall not "be deemed or construed to authorize, the assumption of any style, appellation, rank, "precedence, or privilege appertaining unto a Knight Batchelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the service for which it is proposed to confer the Order has been "performed during War, the Notification required by the 2nd Regulation must be "made not later than two years after the exchange of the Ratifications of a Treaty of "Peace.

"If the service has been performed in time of Peace, the Notification must be made within two years of the date of such service.

8th. "WHEN a British Subject has received the Royal Permission to accept a Foreign "Order he will at any future time be allowed to accept the Decoration of a higher Class "of the same Order, to which he may have become eligible by increase of rank in the "Foreign Service, or in the Service of his own country; or any other distinctive mark "of honour strictly consequent upon the acceptance of the original Order, and common "to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843. (Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not "be taken to apply to Decorations of the Guelphic Order which were bestowed on "British Subjects by her predecessors, Their Majesties King George IV. and King "William IV., on whose heads the Crowns of Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a "Foreign Sovereign for services rendered according to the purport of the 5th Clause "of the Regulations. They must be rather considered as personal favours bestowed on "British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846. (Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. THAT the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. THAT when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. THAT when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "THAT no Subject of His Majesty could be allowed to accept the Insignia of a "Foreign Order from any Sovereign of a Foreign State, except they shall be so con- "ferred in consequence of active and distinguished services before the Enemy, either "at Sea or in the Field; or unless he shall have been actually employed in the Service "of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "THAT His Majesty's license and permission doth not authorize, and shall not "be deemed or construed to authorize, the assumption of any style, appellation, rank, "precedence, or privilege appertaining unto a Knight Batchelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the service for which it is proposed to confer the Order has been "performed during War, the Notification required by the 2nd Regulation must be "made not later than two years after the exchange of the Ratifications of a Treaty of "Peace.

"If the service has been performed in time of Peace, the Notification must be made within two years of the date of such service.

8th. "WHEN a British Subject has received the Royal Permission to accept a Foreign "Order he will at any future time be allowed to accept the Decoration of a higher Class "of the same Order, to which he may have become eligible by increase of rank in the "Foreign Service, or in the Service of his own country; or any other distinctive mark "of honour strictly consequent upon the acceptance of the original Order, and common "to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843. (Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not "be taken to apply to Decorations of the Guelphic Order which were bestowed on "British Subjects by her predecessors, Their Majesties King George IV. and King "William IV., on whose heads the Crowns of Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a "Foreign Sovereign for services rendered according to the purport of the 5th Clause "of the Regulations. They must be rather considered as personal favours bestowed on "British Subjects by British Sovereigns, and as having no reference to services ren- "dered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846. (Signed) ABERDEEN.
